

In addition, Richmond Cares Richmond Gives, received a \$6,000 donation on April 20 from Poly Culture North America - a company specialized in arts and culture.

“The community has supported us, so we want to give back this time. We also want to show appreciation for RCRG workers, who are working hard to help those in need amid COVID-19,” said Jenny Chen, director and chief executive officer at Poly Culture North America.

Chen added that she hopes their initiative inspires more people to step up to contribute to local charities, such as RCRG.

Poly Culture North America and its employees also donated \$6,000 to other local health facilities, including Richmond Hospital.
